Award-winning Party Organisers Since 1989

CARWASH was founded in 1989 where the aim was to provide a club space where people from all walks of life could mix in a fun, friendly atmosphere fuelled by the very best party music. For the past thirty years we have been hosting parties across the United Kingdom, in Paris, Ibiza, St. Tropez, Dubai, Miami, Vienna, Geneva, Lausanne, Marseille, Brussels and numerous holiday destinations within France, Spain, Cyprus, Greece, Egypt and Turkey. We tour as far afield as Russia, Columbia, Singapore and Australia. We are probably most famous for our '29-year residency in London' which has taken place every Saturday night and an extremely popular 11-year weekly residency in Paris.

Having hosted over 6000 parties worldwide and attracted 3 million customers, we have won multiple awards with 'Best Club Night' at British Entertainment and Dance Industry Awards (BEDA) in 1998 alongside being winner of the Disco International award for 'Best Club'. Time Out magazine describes Carwash as the 'Ace of Clubs.' Clubbing bible Mixmag calls Carwash 'London's Legendary Disco'.

History

Hosting world-famous parties since 1989

CARWASH took off in 1989 and provided a fun party atmosphere creating an involving experience with wall to wall dressed up clubbers, stunning decor and tip top party music. This was found to be what our clubbers wanted and from this we have evolved to provide tables, drinks, food and service to make a visit to Carwash an experience to remember. At the same time as maintaining our core values we regularly morph our music policy per regional tastes and preferences; whether that be London 80s and 90s pop / chart anthems, chic Parisian disco or upbeat Asian K-Pop or J-Pop. Our big BOOM room with its more urban sound is the perfect accompaniment. Get ready for some slick beats.

Not happy with just being a hangout of pop stars past and present - with celebrities ranging from Robbie Williams, Shakira, Jamiroquai to Kylie & Dannii Minogue - and with a lot of tenacity and grit, we aim to keep at the forefront of the party scene. When planning a night out or a big celebration, you want to do so with a club you can trust. Our good reputation comes from excellent service.

Boom

BOOM is a sophisticated playground with glamorous edges where that luxury bottle on ice is brought to your table while you enjoy the tip top tunes. Take over one of the gorgeous black leather booths, order your VIP package and shimmy shake to the latest sounds.

This floor is smooth, atmospheric and intense. Sexy girls and slick boys bump and grind to R'n'B, hip hop, pumpin' house and commercial chart music. Dress glam, dress glossy, dress sexy and feverishly hot.

With top DJ's and a great crowd, Saturdays at Loop is the ideal place to celebrate and cut some serious dance moves.

Reserve an Area

Everyone comes to Boom vs Carwash in a group and we know this can be tricky to organise. To make things easier we offer from as little as £100 Bronze packages for the whole group, which includes entry and drinks at your table. All we need is an estimate of your group size. All you have to do is decide what you would like to drink. It is as simple as that. Buying a package automatically reserves you an area.

For those extra special occasions you can treat yourself and your friends to a Gold, Platinum or Diamond package for the ultimate Carwash or Boom experience, which includes a choice of prosecco or champagne, house or premium spirits served with mixers. You'll receive party shots too. We also offer pre-club fun in the form of cocktail master classes and our in-house restaurant.

Booths in the Carwash main room around the under lit dance floor sell out fast and the best tables are sold on a first come first served basis with £300-£400 minimum spend. Each package is priced per group not per person.
